**About APSARD**

The American Professional Society of ADHD and Related Disorders (APSARD), is a U.S.-based international organization, focusing exclusively on ADHD and related disorders. Led by a diverse board consisting of global experts in fields such as psychiatry, psychology, epidemiology, ethics, coaching, and pediatrics, APSARD’s goal is to provide the best in professional education and to foster and disseminate new research findings to professionals working in the field of ADHD and related disorders.

**Membership**

There are many types of health-related professionals that help in the diagnosis, treatment and support of people with ADHD. APSARD invites all professionals committed to the therapeutic area of ADHD and related disorders to join and benefit from the comprehensive resources and information forums designed to improve the quality of care for patients with ADHD and related disorders, throughout the lifespan. To become a member or for more information, please visit www.apsard.org, or call (615-649-3083). The three types of membership are:

- Full Membership – $100
- Associate Membership – $80
- Residents/Trainees – $40

(Full details available at www.apsard.org.)

**Register online today at www.APSARD.org**!

### Course Description

Ongoing clinical and scientific advances have transformed the field of ADHD. Substantial knowledge has been gained on the neurobiology, heritability, environmental, persistence, comorbidity, psychotherapeutic and pharmacological treatment of ADHD in children, adolescents and adults. This CME-accredited course will feature nationally renowned ADHD faculty who will educate participants on recent research findings relevant to clinical practice with a focus on improving the quality of care for all patients with ADHD & related disorders.

Note: The learning objectives can be found on www.APSARD.org. They apply to nurses and psychologists in addition to physicians.

### Target Audience

This course is designed for psychiatrists, psychologists, family physicians, pediatricians, nurse practitioners, and other professionals working to improve the quality of care for adolescent and adult patients with ADHD. There are no prerequisites for this course.

### Accreditation Statements

**PHYSICIAN:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of USF Health and APSARD. USF Health is accredited by the ACCME to provide continuing medical education for physicians.

USF Health designates this live activity for a maximum of 12.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**PSYCHOLOGISTS:** USF Health is approved by the American Psychological Association to sponsor continuing education for psychologists. USF Health maintains responsibility for this program and its content. This activity is approved for 12.75 CE credits. Full attendance to the Conference is required. Partial credit will not be awarded.

**NURSES ANCC:** USF Health is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

A maximum of 12.75 contact hours may be earned by learners who successfully complete this continuing nursing education activity.

USF Health adheres to ACCME Standards regarding commercial support of continuing medical education. It is the policy of USF Health that the faculty and planning committee disclose real or apparent conflicts of interest relating to the topics of this educational activity, that relevant conflict(s) of interest are resolved and also that speakers will disclose any unlabeled/unapproved use of drug(s) or device(s) during their presentation. Detailed disclosure will be made in the course syllabus.

Credits can be claimed post-conference via online evaluation and attestation form.
