

## EPSDT: Well-Child Visit Billing 101 Training

DHCF has changed well-child visit billing for DC Medicaid providers serving children. **All billing staff** of pediatric (new and existing) providers enrolled in the DC Medicaid program must attend this training. The training will focus on the new well-child visit billing requirements, claims submission, and how to access necessary resources to help with the new billing process.

**All online sessions will be held from 12:00 pm – 1:00 pm.**
