

## EDITORIAL BOARD ROLE:

### **Early Career Physician**

*Three-year term.*

## FUNCTION:

The Early Career Physician assists the editor and deputy editor in the journal's editorial process and implementation of a plan to increase the role of social media for sharing information with the public.

## RESPONSIBILITIES:

1. Suggest new approaches to the *Pediatrics in Review* Editorial Board for use of social media to further the journal's reach.
2. Identify new social media initiatives and innovative trends in publishing, that is, how do millennials read journal content.
3. Contribute to the AAP Gateway daily blog.
4. Participate in monthly conference calls with the Executive Editorial Board.
5. Suggest ideas for improvements in content, utility or editorial processes for *Pediatrics in Review*.
6. Attend the *Pediatrics in Review* Editorial Board annual meeting that is held in conjunction with the AAP National Conference & Exhibition.

## EXPERIENCE:

No more than 5 years out of training, residency, or fellowship. Must be a Fellow of the American Academy of Pediatrics.
