[Date]

Honorable Immigration Judge  
Executive Office for Immigration Review  
[Address]

**RE: [Patient] [and patient's A-number, if patient is the respondent]**

Honorable Judge:

- Please state your name, position, and how you know [Patient] (e.g. you are his/her treating physician).
- Please describe [Patient]'s health condition(s), and be sure to address the following three points:
  1. Diagnosis
  2. Prescribed treatment
  3. Prognosis

*[Note: The following bullet points may not apply to every case. The template should be personalized based on the facts of your case (e.g. if the patient is the respondent or a family member, if the patient would be moving to another country or remaining in the U.S., etc.) before you provide it to the doctor.]*

- To the extent you are familiar, please describe [Patient]'s support network (e.g. who brings him/her to appointments, who assists with physical or emotional support, etc.)
- Please describe how you think [Patient]'s condition would be affected if he/she is deported to [country] (or if he/she accompanies his/her deported family member to [country]).
- Please describe how you think [Patient]'s condition would be affected if he/she remains in the United States but is separated from [respondent].
- *[Etc.]*

Sincerely,
